

#### Scenario:

- Person just moved into a new city and wants to get involved in the community but does not know how to start.

#### 3 Tasks:

- Being able to contact the charity.
- Finding the charity near them.
- Successfully donating to the charity of their choosing.

#### Notes

Changes that should be made (min 2 Things):

Add back button.

Add bigger text for people with poor sight

One of testers said they would like if the account password was saved for easy login

Things that should be kept (min 2 Things):

Liked the saved donation

Like the anonymous donation
